## Inflatable Chair

Intex inflatable chair/bed and pump

\*\*\*\*\*New in box, except opened and set up to test once\*\*\*\*\*

The Intex Pull-Out Inflatable Sofa Dorm Chair pulls out into a twin size bed. This chair works well for extra sleeping space when camping, during sleepovers, or for family visits. The chair is made of durable materials and it has a 300-pound weight limit. It has a 2-in-1 valve that is wider than a standard valve for quick inflation and deflation. Once deflated it can fold compactly for storage or travel. It has two comfortable armrests and a supportive backrest.
